New York Times bestselling author Liz Carlyle has created a breathtaking new romance about a man without scruples and the lady who brings him to his knees. What does it matter if Kate, Lady d Allenay, has absolutely no marriage prospects? She has a castle to tend, an estate to run, and a sister to watch over, which means she is never, ever reckless. Until an accident brings a handsome, virile stranger to Bellecombe Castle, and Kate finds herself tempted to surrender to her houseguest s wicked kisses. Disowned by his aristocratic family, Lord Edward Quartermaine has turned his gifted mind to ruthless survival. Feared and vilified as proprietor of London s most notorious gaming salon, he now struggles to regain his memory, certain of only one thing: he wants all Kate is offering-and more. But when Edward s memory returns, he and Kate realize how much they have wagered on a scandalous passion that could be her ruin, but perhaps his salvation.
