Cast Professional Publishing, United States, 2017. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Let Them Thrive provides parents with a practical understanding of how education works--and how it can work better--for their children. Every learner is as unique as his or her fingerprints. But one-size-fits-all schooling doesn't account for those variations. In this highly readable book (with unique cartoon illustrations), bestselling author, educator, and parent Katie Novak introduces the research-based framework Universal Design for Learning (UDL). Parents learn the origins of UDL in the learning sciences and in practice. (UDL is prominent in the federal Every Student Succeeds Act). They also learn strategies, tips, and tools to support their children's learning in school and in life. Let Them Thrive is an important new contribution to the growing literature on UDL, the first such book directly aimed at parents.
