DECIDING HOW TO PUBLISH YOUR BOOK: NAVIGATING THROUGH THE PUBLISHING JUNGLE (PAPERBACK)

Salpinges, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Deciding How to Publish Your Book is for you if you are a relatively inexperienced author trying to understand the publishing jungle. It defines three broad publishing models (traditional publishing, self publishing, and DIY publishing) and the pros and cons of each model, and suggests ways to determine which model best suits your publishing goals. In this small booklet, John Avery has laid out the three possible paths to publication and leads potential authors in the direction that best fits their particular publishing goals. Success in the publishing field often depends on making the right choices. This must-have resource helps both new and experienced writers make the choices that will lead to success. -Sally E. Stuart, Founder, Christian Writers Market Guide.
