See Dr. Bradley's exciting post-apocalyptic series -- The Survivalist (Frontier Justice). If your community was hit with a major disaster, such as an earthquake, flood, hurricane, or radiological accident, would you be prepared? Would you be forced to fall in line with hundreds of thousands of others who are so woefully unprepared? Or do you possess the knowledge and supplies to adapt and survive? Do you have a carefully stocked pantry, a method to retrieve and purify water, a source for generating electricity, and the means to protect your family from desperate criminals? In short, are you a prepper? This book contains fifty of the most important steps that individuals and families can take to prepare for a wide range of disasters. Each step is complete, clearly described, and actionable. Together, they cover every aspect of disaster preparedness, including assessing the threats, making a plan, storing food, shoring up your home, administering first aid, creating a safe room, gathering important papers, learning to shoot, generating electricity, keeping warm, and much more. Recent events have reminded us that our world is a dangerous place, whether...
