Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Poor President Ronald Tramp! He s just won the biggest election victory ever! He s the most successful man in the world but no one gives him any respect. From the idiots in congress who don t see his own greatness to foreign leaders that don t see how great America is again to the secret servicemen who are banging his hot wife! President Tramp should be on top of the world but instead he s constantly reminded of his deficiencies in the most personal way possible by the one person he should be able to trust the most! Once his wife, Selena, finally comes clean about her getting ravished by his black secret service agent he has to become even more delusional about his greatness! How will President Tramp ever cope with being a cuckold who can t satisfy his beautiful MILF-wife in any way? In this episode President Tramp has to deal with even more reminders of his weakness as he takes a trip up north to demand the Canadian Prime Minister pay for a new border wall between their countries. This hot, young Canadian leader has other things in mind though and he even gets the President of Mexico in on the fun! President Trump has no choice but to watch two real leaders give Selena the pleasure that he never could and never will! This is a work of fiction. Names, characters, businesses, places, events, and incidents are either the products of the author s imagination or used in a fictitious manner. Any resemblance to actual persons, living or dead, or actual events is purely coincidental.
