

## Piano Mix 3: Great arrangements for easy piano

By -

Associated Board of the Royal Schools of Music, United Kingdom, 2015. Sheet music. Condition: New. Language: English . Brand New Book. Piano Mix is packed full of brilliant music that has been specially arranged for easy piano. It's a whirlwind of styles and genres from centuries gone by through to the present day. The repertoire reflects the type of music found in our Piano syllabuses. In Piano Mix 3 the pieces are mostly at Grade 3 standard, helping pianists progress to Grade 4 towards the end of the book. The series has been compiled and edited by David Blackwell with arrangements by Alan Bullard, Nikki Iles, Christopher Norton and Tim Richards to name a few. Every arrangement is enjoyable to play because it fits well under the pianist's hands while remaining faithful to the original work. Well-known music includes The Lark Ascending by Vaughan Williams and Consider yourself from Oliver! There are also lots of unsung melodies to be discovered, like Clog Dance from La fille mal gardee and a traditional Serbian folk tune Djurdjevka. From the orchestra to the opera and from folk to jazz, there's a world of music at your fingertips!.

### Reviews

*This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).*
