Paige Fieldsted, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There is a reason they re called fantasies; they don t belong in the real world. They should stay tucked safely away in the corners of your imagination, where they are bright and shiny illusions of what could be. Everything was perfect. My marriage was amazing, Quinn was amazing, our sex life was amazing. I had the job of my dreams and a relationship most people only dream about. I had it all and didn t even realize it. Then there was Carson with his blond hair and blue eyes, and a cocky smile I couldn t get out of my head. He was the star of all my dirtiest fantasies, a forbidden temptation I couldn t have. Or could I? I thought I had it all figured out. I thought I could have my cake and eat it too. I was wrong, and now everything is falling apart. I brought my fantasy to life and unveiled a secret I wasn t prepared for. Now my reality is crashing down around me, and I don t know how to stop it. I had it all but wanted more; now I might be left with nothing.
