

The Idea of Israel: A History of Power and Knowledge

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

THE IDEA OF ISRAEL: A HISTORY OF POWER AND KNOWLEDGE

Verso Books. Paperback. Condition: new. BRAND NEW, The Idea of Israel: A History of Power and Knowledge, Ilan Pappé, In this groundbreaking new work, Ilan Pappé looks at the continued role of Zionist ideology. The Idea of Israel considers the way Zionism operates outside of the government and military in areas such as the country's education system, media, and cinema. In particular, Pappé examines the way successive generations of historians have framed the 1948 conflict as a liberation campaign, creating a foundation myth that went unquestioned in Israeli society until the 1990s. The Idea of Israel is a powerful and urgent intervention in the war of ideas concerning the past, and the future, of the Palestinian-Israeli conflict.
