

Golf Course Wildlife, Southern California Desert Region: A Folding Pocket Guide to Familiar Species

By James Kavanagh

Waterford Press Ltd, United States, 2009. Pamphlet. Condition: New. Language: English . Brand New Book. For many, golf courses are sanctuaries where one can enjoy a few hours of relaxation away from the demands of day-to-day life. Courses in the southern California desert region are also sanctuaries for wildlife. This beautifully illustrated guide highlights over 140 familiar and unique species of mammals, birds, reptiles, amphibians, butterflies/insects and desert plants and also features a regional map and information on the unique ecosystems in this area. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information for golfers of all ages. Made in the USA.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best books. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
