PRINCETON ARCHITECTURAL PRESS, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Did you know that the word dinosaur means great lizard ? Have you ever heard of an animal that had to swallow thousands of pounds of plants every day to feed itself? And do you know the name of the largest known flying animal of all time? In the Age of Dinosaurs will answer all of these questions and many more, presenting a range of interactive activities, stickers, and fun facts for children. Lovingly illustrated by Olivia Cosneau, this book introduces children to the world of dinosaurs and keeps them entertained for hours through fun activities, such as sticking on the missing bottom teeth of a Tyrannosaurus rex or coloring in the back plates of a Stegosaurus . In the process children learn about the different types of dinosaurs that existed, their diet, how they hunted, how they protected their young, and other interesting facts. A quiz at the end of the book tests their knowledge.
