iUniverse, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The interplay of the written word and the painted image converge in Ann Holmes skillfully crafted poetry. Holmes gets inside the action of a poem, imagining what it is like to be the atomic bomb in Hiroshima, a goat in Greece, spring beginning, a cloud refusing to change its form. Love, loss, wonder, and the quirkiness of life leap off the page. How rich a palette, poet-artist Ann Holmes brings to her second collection *A Leaf Called Socrates*. How powerful is her artist pen as she approaches biblical and ancient figures as intimates. I glaze a Bosch bubble/around Adam and Eve/so they may stay in the garden. With engines of irony and honesty, her poem *When I knew*, creates a loving reproach to intimate family encounters. Her poems, revealing human frailties, glow nonetheless, with color and affection. After her sojourn as an artist in Japan, she evokes a place where Seven round holes/one above the other/ exist, as if the moon/ dropped out/ of the sky. In this new collection of poetry, her language, phrase and imagery paint emotional hues to reveal people in their flaws and creative gifts. -Lou Barrett, author of *Connecting Flights*, *Doors Gates and Portals*, *Clotheslines*.
