In a country, that floats on lakes of oil and gas. Iraq was one of the richest countries in the world during 1970s. Today, due to the US-UK invasion and occupation: Iraq became the poorest country in the world. Iraqi citizens live below the poverty line for successive tragedies. This book gives very significant suggestions on how to activate Iraqi economy. Regarding the harsh conditions from International Monetary Bank; the bank likes to give Iraq a loan up to \$ 4.5 billion under severe conditions. Even if Iraq received the loan, the people do not get some benefits from it. On the contrary, the people have to pay exorbitant taxes. In addition, Iraq government must cancel the food...
