LANDFALL 224: HOME + BUILDING (PAPERBACK)

Otago University Press, New Zealand, 2012. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Home is a classic Landfall Open House issue, where anything and everything goes. Submissions poured in on every topic conceivable, and the result is truly a feast of good writing and imagination. Courtney Sina Meredith, Emma Barnes, Kay McKenzie Cooke, Tony Beyer and C K Stead (among others) offer up new poems exploring topics as disparate as the body, the corner dairy, cloud technology, silent film stars and more. All make for exhilarating reads. Be enchanted too by a wealth of short stories: Alex Wild Jespersens deftly humorous tale of a media studies tutor s first experience with girl-on-girl boxing, Vivienne Plumbs The Cabin Trunk, David Herkts story set in the rarefied world of the uber-wealthy at the height of the financial crisis and Laura Solomon s futuristic piece about a Kiwi cult that breeds shumans (sheep/humans). Nicholas Reid, John Horrocks, Peter Simpson and others offer up considered reviews of recent New Zealand books and Martin Rumsby investigates moving image installations. As for art, theres Anita DeSotos otherworldly paintings, while Darryn Georges unique blend of geometric abstraction and kowhaiwhai are present in both the portfolio pages and under discussion by David Eggleton in The Landfall Review.
