Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Juta Company Ltd, South Africa, 2014. Paperback. Condition: New. 2nd ed. Language: N/A. Brand New Book. Companion text to Jutta s Manual of Nursing Volume 1: Fundamental and General Nursing. Suitable for use in the Staff Nurse, Professional Nurse and Midwifery, or Nursing Auxiliary courses, Jutta s Manual of Nursing Volume 2: The Practical Manual is the how to book in the Jutta Nursing range of books. Written in a clear and logical style, nursing procedures are explained in a step-by-step manner to help the student develop competencies to provide quality nursing care. Rationales for actions are always given, so that the student understands the reasons behind specific activities. Each nursing procedure has the following features: Explanation of the procedure, Learning outcomes, Learning assumed to be in place, Indications and contraindications, Resources required, Specific guidelines for the particular procedure, Essential patient teaching, Critical assessment criteria, Tips for nurses and/or precautions. Now in its second edition, additional procedures have been added and where appropriate, the latest evidence-based information added. Care has been taken to explain the integration with related aspects of the nursing curricula.
