If you want a successful marriage and are willing to embrace the process to achieve it, you must read this book. The name itself throws light upon the fact that it is an ongoing endeavor. What is most important is the principles are proven by God s word. Marriage is not to be entered into casually. This book, A Journey To Oneness details six things that couples need to consider before they move forward in marriage. It also teaches the fundamentals of your role as a wife and your role as a husband. Even if you are not in a relationship currently this knowledge is worthy of your time. Preparation is key and you get everything you need in this book to be ready for the journey. A Journey to Oneness is about biblical principles that if applied in your before and after marriage customs will guide you to truly become one in marriage. The model of the marriage God intended for his people is spelled out in scripture and the author Gary Cornelius Jones has highlighted specific passages as well as questions to engage and strengthen understanding. He covers every area required to be prosperous in marriage. This is a book to keep for all times to refer back to and to build upon throughout the journey. Reading this book will put you a step ahead and applying the principles in this book will gain you access to the promise of marriage which is two shall become one flesh.
