ELECTRICITY AS A FIRE HAZARD (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Electricity as a Fire Hazard We cannot but believe that the losses from fire, legitimately traceable to electric currents, have been due to the ignorance rather than the negligence of those in charge of such plants, and that, if the true limitations of conductors carrying currents were better known, electrical fires would become a thing of the past. That electricity...
