Brand New Book ***** Print on Demand *****.This report, the Agenda for Social Justice: Solutions 2012, is designed to broadly inform our readers about some of the nation's most pressing social problems and to propose policy responses to those problems. Our audience includes social science scholars, teachers, and students; social activists; journalists, policymakers; elected officials; and of course the public-at-large. In short, this book is our attempt to inform and contribute to the ongoing public discourse about the nature and amelioration of some of our society's social problems. The Agenda for Social Justice: Solutions 2012 contains eleven chapters, each contributed by outstanding scholars in their respective areas, and each chapter addresses a specific social problem facing the U.S. today. The chapters in this book cover a wide range of concrete issues facing our society today, including issues of immigration, health, inequality, appropriation of public funds, income security, racial diversity, and social welfare. These are certainly among the pressing issues and discussions that one encounters in the news media and other areas of social discourse. The book is designed with short chapters, so that...
