Well, here I am going to teach you to jump higher than you have ever jumped before. So, you re a writer but the book you know will cross the finishing line first is stuck inside your busy brain because you don t have the time to sit down and think about it, let alone write it. I can relate to this. I wrote this book. You ve probably been told that it takes a long time to write a decent book, but here I am to tell you the opposite. It s not true. I will show you how to write a book in 7 days - all it takes is some focus and determination. I can show you how to do this, using this realistic step-by-step book. Interested? Purchase the book now. Not interested? Continue to read and let me convince you. This book has been written on fewer pages than the rest you will find elsewhere. Why? Because, I have made it as easy as possible to follow; easier to digest, easier to follow and much easier to implement. Whether you want to write a book about raising ferrets, building container homes or about how to start a business, you will be able to do it with this step by step guide.
