Rising Stars UK Ltd, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Space Hoppers is a brand new series of hilarious sci-fi fiction from popular author, Tommy Donbavand. Set in the year 2281, Space Hoppers follows the adventures of special agents Dan Fireball, Astra Moon and Volt as they patrol the universe, fighting crimes and chasing the Solar System s most notorious villain, The Geezer! Alarmingly, The Geezer s efforts to discredit children seem to be working, and Venus is considering being the first planet in the Solar System to go back to adult rule. There are debates between kids and grown-ups, and passionate rallies for both sides. Dan, Astra and a disassembled Volt are sent to Venus to help police the elections, but end up investigating when the President suddenly announces that she is conceding defeat to The Geezer himself. Have the adults got something on her, or could she be a replica of the real leader, programmed to say whatever she s told?.
