A hilarious new series from best-selling author, Barry Hutchison, perfect for fans of Tom Gates, Wimpy Kid and Barry Loser. I like to smell my own farts. Gah! Someone shut me up! It s been 92 hours since Beaky last told a lie. So far he s survived two full days of school with only three light beatings, two telling-offs and one wedgie . but the annual school trip is going to take Beaky s survival skills to a whole other level - especially as a mix up in the school office means that Beaky and his class are on a trip to Learning Land, an educational theme park aimed at eight-year-olds. And home to cheery-but-creepy Clumso the Clued-up Clown whose job is to dish out fascinating facts to one and all. But there is worse to come when Beaky s partnered with Wayne, a.k.a the school bully, who has a morbid fear of clowns. With Beaky unable to tell a lie and Wayne intent on beating him up, things aren t looking good. And that s before they find themselves on the run from a manic clown who ll seemingly stop at nothing to track them down.
