

## Arithmetic for Everyday Use: Grade III (Classic Reprint) (Hardback)

By George Kennedy Sheane

FBC LTD, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Arithmetic for Everyday Use: Grade III Instruction in arithmetic has two major objectives: one, the development of skill in computation and problem solving; and the other, the development of an understanding and an appreciation of the ways in which number functions in the activities of daily life. To achieve the first objective the authors of this series of text books have provided a careful step-by-step development of the fundamental operations and problem solving. This development is so carefully graded and constructed that the difficulties children often encounter in their study of arithmetic are reduced to a minimum. A systematic programme of mixed and cumulative practice exercises is provided to insure the mastery and retention of the processes and topics that are studied. The vocabulary of these books has been carefully checked against available word lists; the explanations of processes are simple and direct; and the problems are clearly. Stated, thereby eliminating reading difficulties. Special provisions have been made for individual differences in the rates at which children master the subject matter and the difficulties they encounter.
