Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Florence Scovel Shinn (1871- 1940) was an American artist and book illustrator who became a New Thought spiritual teacher and metaphysical writer in her middle years. In New Thought circles, she is best known for her first book, The Game of Life and How to Play It and her later work The Secret Door to Success. Shinn expressed her philosophy as: The invisible forces are ever working for man who is always pulling the strings himself, though he does not know it. Owing to the vibratory power of words, whatever man voices, he begins to attract. From The Game of Life.
