Strategic Book Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Of all the questions in life that face man, the one we never seem able to answer is: What do women want? Likewise, women wonder about men, why men are never fully satisfied, and why they want more or just different things. This book assumes that it is still inherently a man's world. It starts by emphasizing the irrefutable value of women, before addressing some of our most common assumptions, problems, and misconceptions about each other. As boys are drawn to their mothers and daughters are drawn to their fathers, the book also draws an obvious link between how we are treated as children and the resulting outcome as adults. Most of all, this book attempts to suggest approaches that will help solve these issues if both parties honestly seek resolutions. **Everything She Wants and Everything He Can Give** opens doors, but only if we open ourselves to the answers. Biokrobo S. Wokoma is an English teacher and a business communication trainer. He holds a BA in mass communications. Born in Lagos, Nigeria, he traveled to Equatorial Guinea, Spain, and England, before moving to Monrovia, Liberia at the dawn of the Liberian civil war in 1990. He spent the next 14 years residing in Port Harcourt, Nigeria, and six years in a boot camp-like boarding school in a town called Ikom, where he learned to survive under extreme conditions. I have, since 2004, traveled and lived in the United States, U.A.E, Malaysia, and Mexico, making hundreds of friends and sharing experiences. I currently reside in Mexico City.
