Looking for the Mahdi

By Wood, N. Lee

Ace Science Fiction, 1996. Trade Paperback. Condition: New. First - First Edition. some copies *may* have some light shelf wear; N. Lee Wood portrays an all-too-possible near-future where the face of global politics appears ominously familiar. Where a microchip holds the secret of angels. And where technology meets its match in human nature. Halton was a humanoid fabricant, created to serve as a bodyguard in the Middle East. Kay was an all-too-human correspondent, assigned to deliver him to a country from which she had barely escaped with her sanity. She didn't know it was a setup. until it was too late. And the only one she could trust - the only one who hadn't betrayed her - was the android himself.

Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.
