Minotaur Books, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. New York Times bestseller M. C. Beaton s beloved Agatha Raisin--now the star of a hit show on Acorn TV and public television--is back on the case and poking around where she doesn t belong. Agatha Raisin, private detective, resident in the Cotswold village of Carsely, should have been a contented and happy woman. But in M.C. Beaton s Pushing Up Daisies, things are about to get a little less cozy. Lord Bellington, a wealthy land developer, wants to turn the community garden into a housing estate. And when Agatha and her friend Sir Charles Fraith attempt to convince Lord Bellington to abandon his plans, he scoffs, Do you think I give a damn about what a lot of pesky villagers want? So it s no surprise that some in the town are feeling celebratory when Agatha finds his obituary in the newspaper two weeks later. The villagers are relieved to learn that Bellington s son and heir, Damian, has no interest in continuing his father s development plans. Except the death was apparently murder, and the police see Damian as suspect number one--though Agatha finds plenty of others when he hires her to find the real killer. The good news is that a handsome retired detective named Gerald has recently moved to town. Too bad he was seen kissing another newcomer. Soon, another murder further entangles Gerald and Agatha in a growing web of intrigue as they work with her team of detectives work to uncover the killer s identity.
