Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The dirty secret colleges and universities keep hidden is that between 40 and 60 of college freshmen don t graduate. Despite the best efforts of colleges to create environments that engage and embrace these students, 30 drop out after their first year. These aren t dumb students, they are usually students who are underperforming. If you aren t accomplishing what you are capable of accomplishing this book will help you figure out why and then develop a plan of attack to change keystone habits that will put you on the path to success. Students who end their freshman year with a grade point average (GPA) between 2.0 and 3.0 are often called the Murky Middle and labeled At Risk Students. They are in danger of failing out of college or dropping out of college. Inside Higher Ed reports that students who end their first year with a GPA below a 2.0 only have a 12 chance of graduating. Students with a GPA between 2.0 and 2.2 have a 32 chance of graduating. The good news is you can turn your academic career around. Even if you ended your first year with a 2.0 or lower it is not only possible to graduate, it is possible for you to graduate with a 4.0. You just need to understand how the academic system works and stop using time honored study habits that just don t cut it in college today. This book helps you find what is keeping you from living up to your potential, offers you worksheets and checklists to help you define a new path, shows you how to use a three-tier SMART goal setting process to focus your energy, and it...
