## HOW TO RESTORE RELIANT REGAL (ENTHUSIAST'S RESTORATION MANUAL) (ENTHUSIAST'S .

Veloce Publishing Ltd, UK, 2005. Softcover. Condition: New. First Edition. 216 Pages. NEW. The Reliant Regal is the iconic three-wheeler car with a cult following. This is the guide to finding a suitable Reliant Regal for restoration; a fully illustrated step-by-step guide on how to dismantle and restore the body, chassis, electrics and engine, taking the car back to showroom condition! The author has been a Reliant enthusiast since owning his first 3-wheeler in 1990. Review: If life with three wheels on your wagon gets your blood pumping . this book is a must have. -- Classic Car Weekly. (December 15th 2005): It is a perfect step by step guide for dismantling and restoring the body, electrics and engine. -- British Car Magazine. (January 2006): Step by step through every job, in some cases bolt by bolt, mean this impressive publication is value for money. -- Classics Monthly. (March 2006) : From the Author: With 208 pages and 850 photographs the book is a thick one and I have tried to cram as much into it as I can. I know from working with workshop manuals myself that photos tell you a lot more than words do and so a lot of sequences are photographed in detail. Of course this book isn't a replacement for a workshop manual but supplements it nicely. Whilst a workshop manual assumes your Regal is shiny and new and that all bolts will come undone with minimal effort, this book looks at the real picture, seized bolts, rotten components etc etc and so looks into how to deal / replace / repair these. It also offers many facts from owners who have owned Regals for years, even small things like what tyres are best, crossply or radials and indeed can a Regal run on unleaded...
